Thanks to all the efforts on the ground, was able to get everyone from our list registered. Phew! Please see the attached PDFs, and maybe print, for a record of the approvals. Please note the two documents are different because they are in two sheets on the website, so please review and print both.

Thanks again everyone!

Mark, more pressing than the meeting room- we still don't have all the extra badges that we need, including for the 2 university representatives. You may need to flag for Jane- we may need her or someone from the embassy to call Francesco to ask for a favor if this isn't resolved tomorrow or we will need her help to make a decision to remove two registered members of our delegation so that we can register our 2 professors. Obviously this is not a desirable outcome.

[Ex. 6 - Personal Privacy] and Alexis have been working tirelessly but our delegation is rather large and we are stretching the flexibility of our hosts.

[Ex. 6 - Personal Privacy] any updates or thoughts?

Anna- any other suggestions?

Just checking in on this – as you saw, we received a note from the organizer of the Universities side event asking why our participants haven't been registered. In the meantime, not sure if Embassy folks have had a chance to consider our question about making a **possible switch with 2 existing badge holders from the Embassy as a temporary fix**? I know this is certainly not ideal, but we'd sent the full list over to Mauro at least a week ago now and this is a bit late to be hearing that we won't be having our requests fulfilled.

Thanks all for anything you can do, I'm sure you are working on the ground and its much appreciated!

Just landed in Bologna. [REDACTED] any luck getting at least the two slots for the university reps traveling from the States? One of them was invited by Pruitt's chief of staff. We need to wrap or perhaps elevate to the Charge de Affairs?

We have more than five firms and universities. We were given special permission to bring 4 forms. We also told the organizers that the CEO from the Chamber of Commerce would need a plus one with him. That is five for private sector. We have 2 university. That is a total of 7.

Alexis, can you confirm?

Ex. 6 - Personal Privacy and Ex. 6 - Personal Privacy, we are not making headway with either Mauricio or Aldo. We need the embassy to step in and directly call to resolve.

Alexis- we need 3 more registrations for drivers and 7 for universities and firms, is that correct?

The Chairman of the Chamber of Commerce is NOT registered. Nor are any of the the other people from the private sector and universities and they are all on planes already. To say this would be embarrassing is an understatement.

**Subject: RE: G7 side events: delegazioni USA - NOT ABLE TO  
ADD NEW DELEGATION MEMBERS ONLINE**

Dear Aldo and Mauro,

Thanks for all your assistance thus far. I just wanted to confirm that we are still unable to add new delegation members on the online registration platform. We still need to add around 15 people, including key Embassy staff, drivers, and all of our representatives for side events. Please advise as to how we can resolve this as soon as possible as I understand badges will be ready for pick-up on June 9 and we need to make sure these are ready and included.

Kind regards,

Alexis

Dear Ex. 6 - Personal Privacy,

there might have been some inceppamento somewhere, in any case:  
you have our support for the 5 Colleagues that you have designated  
(as the formula proposed was 3 firms x 1+1 = 6,  
we are saving 1 place).

Alexis should be in condition to register Firms' Colleagues.

I will forward you for information the email sent yesterday evening.

I would be grateful if you could provide us the emails of the 5 Colleagues.

I'll try to call you to see if evthg is ok, even if I'm voiceless
